

**Consent to participation in "Xylem Water Prize" event  
in connection with the Junior Science Olympiad 2017**

**Background**

The "Xylem Water Prize" is a video competition for students participating in the International Junior Science Olympiad 2017 (IJSO) to be held in Nijmegen, The Netherlands, from December 4<sup>th</sup> until December 11<sup>th</sup> 2017. The competition is organized by Xylem Inc., 1 International Dr, Rye Brook, NY 10573, US, ("Xylem") in collaboration with the IJSO 2017 committee. In order to be eligible to participate in the Xylem Water Prize competition, a student must be a registered participant in the International Junior Science Olympiad 2017. The aim of the Xylem Water Prize competition is for students to make a video on the topic of water and sustainability.

**Consent to participation**

I, \_\_\_\_\_, parent (or with parental responsibility for) of

Name of parent or legal guardian

\_\_\_\_\_ understand that the participation in the Xylem Water Prize

Name of Student

competition will comprise the creation of videos (including still pictures) by participating students on the topic of water and sustainability. These videos or pictures will be available to be seen and will be used primarily on Xylem's or its affiliates' websites and other digital properties in connection with the competition and thereafter. I understand that Xylem and its affiliates have a non-exclusive right to publish such videos and pictures in a commercial context in marketing its products and services.

I consent to the above.
